Advances in PDEs

Organised by IIT Kanpur and Madras School of Economics

Venue: Madras School of Economics
Dates: May 14-16, 2026

A Forum for recent advances in PDEs and geometric analysis focusing on elliptic and hyperbolic equations, functional inequalities, non-local problems, and emerging applications

We acknowledge the support of:

Organisers:

1. Prosenjit Roy (IIT Kanpur)
2. Purbita Jana (MSE, Chennai)

📧 **Contact:** advancesinpdes@gmail.com

Invited Speakers:

- Adi Adimurthi (IIT Kanpur)
- Karthik Adimurthi (TIFR-CAM, Bangalore)
- Aekta Aggarwal (IIM Indore)
- Mousomi Bhakta (IISER-Pune)
- Anup Biswas (IISER-Pune)
- Gyula Csato (University of Barcelona)
- Rajib Dutta (IISER Kolkata)
- Shyam Sundar Ghoshal (TIFR-CAM, Bangalore)
- Veerappa Gowda (Mahindra University)
- Massimo Grossi (Rome 1)
- Sandeep Kunnath (TIFR-CAM, Bangalore)
- Arka Mallick (IISc. Bangalore)
- Siddharth Mishra (ETH-Zurich, online)
- Filomena Pacella (Rome 1)
- Vivek Sahu (ISI Delhi)
- Itai Shafrir (Technion, online)
- Michael Struwe (ETH-Zurich, online)
- Futoshi Takahashi (Osaka Metropolitan University)
- Tatsuya Watanabe (Kyoto Sangyo University)
